Habitat for Humanity of York County Receives \$51,000 Wells Fargo Builds® Grant to Support Affordable Housing

ROCK HILL, S.C.— Habitat for Humanity of York County (HFHYC) has been awarded a \$51,000 Wells Fargo Builds® grant to help build and repair homes with local families in need of safe, decent, and affordable housing.

With this funding, HFHYC will complete **two new construction projects** and **two critical home repairs** during the 2025 grant term, furthering its mission to partner with families and communities to create stable housing and stronger neighborhoods.

“We are deeply grateful to Wells Fargo for their ongoing commitment to affordable housing in York County,” said Tim Veeck, CEO of HFHYC. “These funds will not only help families access the security and stability of homeownership, but also ensure that long-time homeowners can remain in the homes they love.”

The Wells Fargo Builds program is part of Wells Fargo’s commitment to affordable and sustainable housing. Since 2010, Wells Fargo and the Wells Fargo Foundation have provided more than \$155 million to Habitat for Humanity International and local affiliates to build, renovate, and repair more than 7,000 homes.
